

## Temporary Custody of Adults

### 900.1 PURPOSE AND SCOPE

This policy provides guidelines to address the health and safety of adults taken into temporary custody by members of the Colorado State University Police Department for processing prior to being released or transferred to a housing or other type of facility.

Temporary custody of juveniles is addressed in the Temporary Custody of Juveniles Policy. Juveniles will not be permitted where adults in custody are being held.

Custodial searches are addressed in the Custodial Searches Policy.

#### 900.1.1 DEFINITIONS

Definitions related to this policy include:

**Holding cell/cell** - Any locked enclosure for the custody of an adult or any other enclosure that prevents the occupants from being directly visually monitored at all times by a member of the Department.

**Safety checks** - Direct, visual observation by a member of this department performed at random intervals, within time frames prescribed in this policy, to provide for the health and welfare of adults in temporary custody.

**Temporary custody** - The time period an adult is in custody at the Colorado State University Police Department prior to being released or transported to the Larimer County Jail.

### 900.2 POLICY

The Colorado State University Police Department is committed to releasing adults from temporary custody as soon as reasonably practical, and to keeping adults safe while in temporary custody at the Department. Adults should be in temporary custody only for as long as reasonably necessary for investigation, processing, transfer or release.

### 900.3 GENERAL CRITERIA AND SUPERVISION

No adult should be in temporary custody for longer than six hours.

#### 900.3.1 INDIVIDUALS WHO SHOULD NOT BE IN TEMPORARY CUSTODY

Individuals who exhibit certain behaviors or conditions should not be in temporary custody at the Colorado State University Police Department, but should be transported to a jail facility, a medical facility or other type of facility as appropriate. These include:

- (a) Any individual who is unconscious or has been unconscious while being taken into custody or while being transported.
- (b) Any individual who has a medical condition, including pregnancy, or who may require medical attention, supervision or medication while in temporary custody.

- (d) Individuals who are a suspected suicide risk (see the Civil Commitments Policy).
  - 1. If the officer taking custody of an individual believes that he/she may be a suicide risk, the officer shall ensure continuous direct supervision until evaluation, release or a transfer to an appropriate facility is completed.
- (e) Individuals who are obviously in crisis, as defined in the Crisis Intervention Incidents Policy.
- (f) Individuals who are under the influence of alcohol, a controlled substance or any substance to the degree that may require medical attention, or who have ingested any substance that poses a significant risk to their health, whether or not they appear intoxicated.

- (h) Any individual who has claimed, is known to be afflicted with, or displays symptoms of any communicable disease that poses an unreasonable exposure risk.
- (i) Any individual with a prosthetic or orthopedic device where removal of the device would be injurious to his/her health or safety.

Officers taking custody of a person who exhibits any of the above conditions should notify a supervisor of the situation. These individuals should not be in temporary custody at the Department unless they have been evaluated by a qualified medical or mental health professional, as appropriate for the circumstances.

### 900.3.2 SUPERVISION IN TEMPORARY CUSTODY

An authorized department member capable of supervising shall monitor at all times when an individual is held in temporary custody. The member responsible for supervising and monitoring the individual should not have other duties that could unreasonably conflict with his/her supervision (6 CCR 1010-13:18.0). Any individual in custody must be able to summon the supervising member if needed. If the person in custody is deaf or hard of hearing or cannot speak, accommodations shall be made to provide this ability.

No individual in custody shall be permitted to supervise, control or exert any authority over other individuals in custody.

### 900.3.3 ENTRY RESTRICTIONS

Entry into any location where a person is held in custody should be restricted to:

- (a) Authorized members entering for official business purposes.
- (b) Emergency medical personnel when necessary.
- (c) Any other person authorized by the Shift Supervisor.

When practicable, more than one authorized member should be present for entry into a location where a person is held in custody for security purposes and to witness interactions.

### 900.3.4 ADDITIONAL REQUIREMENTS

Department members shall not be placed in positions of responsibility for the supervision and welfare of in custody individuals of the opposite sex in circumstances that can be described as an invasion of privacy or that may be degrading or humiliating to the individual in custody.

### 900.4 INITIATING TEMPORARY CUSTODY

The officer responsible for an individual in temporary custody should evaluate the person for any apparent chronic illness, disability, vermin infestation, possible communicable disease or any other potential risk to the health or safety of the individual or others (6 CCR 1010-13:14.0). The officer should specifically ask if the individual is contemplating suicide and evaluate him/her for obvious signs or indications of suicidal intent.

The receiving officer should ask the arresting officer if there is any statement, indication, or evidence surrounding the individual's arrest and transportation that would indicate the individual is at risk for suicide or critical medical care. If there is any suspicion that the individual may be suicidal, he/she shall be transported to the jail or other appropriate facility.

The officer should promptly notify the Shift Supervisor of any conditions that may warrant immediate medical attention or other appropriate action. The Shift Supervisor shall determine whether the individual will be placed in a cell, immediately released or transported to the jail or other facility.

### 900.4.1 SCREENING AND PLACEMENT

The officer responsible for an individual in custody shall:

- (a) Advise the Shift Supervisor of any significant risks presented by the individual (e.g., suicide risk, health risk, violence).
- (b) Evaluate the following issues against the stated risks in (a) to determine the need for placing the individual in a single cell:
  1. Consider whether the individual may be at a high risk of being sexually abused based on all available known information (28 CFR 115.141), or whether the person is facing any other identified risk.
  2. Provide any individual identified as being at a high risk for sexual or other victimization with heightened protection. This may include (28 CFR 115.113; 28 CFR 115.141):
    - (a) Continuous, direct sight and sound supervision.
    - (b) Single-cell placement in a cell that is actively monitored on video by a member who is available to immediately intervene.
  3. Ensure individuals are separated according to severity of the crime (e.g., felony or misdemeanor).
  4. Ensure males and females are separated by sight and sound when in cells.
  5. Ensure restrained individuals are not placed in cells with unrestrained individuals.

#### 900.4.2 CONSULAR NOTIFICATION

Consular notification may be mandatory when certain foreign nationals are arrested. The Department will ensure that the U.S. Department of State's list of countries and jurisdictions that require mandatory notification is readily available to department members and can also be accessed at <http://travel.state.gov/CNA>. There should also be a published list of foreign embassy and consulate telephone and fax numbers, as well as standardized notification forms that can be transmitted and then retained for documentation. Prominently displayed signs informing foreign nationals of their rights related to consular notification should also be posted in areas used for the temporary custody of adults. Most instances involving the arrest of a foreign national will be processed and advised of their rights by the Larimer County Jail.

The Larimer County Jail who processes a foreign national may be required to:

- (a) Inform the individual, without delay, that he/she may have his/her consular officers notified of the arrest or detention and may communicate with them.
  - 1. This notification should be documented.

    - (b) Tell the individual that this notification has been made and inform him/her without delay that he/she may communicate with consular officers.
    - (c) Forward any communication from the individual to his/her consular officers without delay.
    - (d) Document all notifications to the embassy or consulate and retain the faxed notification and any fax confirmation for the individual's file.
  - 2. If the country is not on the mandatory notification list and the individual requests that his/her consular officers be notified, then:
    - (a) Notify the country's nearest embassy or consulate of the arrest or detention by fax or telephone.
    - (b) Forward any communication from the individual to his/her consular officers without delay.

#### 900.5.5 RELIGIOUS ACCOMMODATION

Subject to available resources, safety and security, the religious beliefs and needs of all individuals in custody should be reasonably accommodated. The responsible supervisor should be advised any time a request for religious accommodation is denied.

Those who request to wear headscarves or simple head coverings for religious reasons should generally be accommodated absent unusual circumstances. Head coverings shall be searched before being worn.
